2019 National Golf Tournament

Each fall, AT&T and the Employee Groups (EG's) demonstrate their dedication to employee diversity and leadership by hosting the National EG Conference in Dallas, TX. This conference invites employee participants from across the country to develop leadership potential, enhances their personal capability, and provides an opportunity to network with current leaders throughout the company. Come network with AT&T senior leaders and managers along with some of AT&T's leading vendors & suppliers.

The day before the conference begins, the EG's demonstrate support by hosting a charitable golf tournament. This tournament raises funds that are then used towards scholarships, community service programs, professional development, and other efforts.

We invite you to support this event by becoming a sponsor today. There are varied levels of sponsorship:

CASH & PRIZE Sponsorships: From \$500 - \$10,000 each with great packages & benefits, etc...
